REQUEST FOR RECONSIDERATION

Dear Sir:

Patentees respectfully request reconsideration of the decision regarding the Request for Certificate of Correction mailed February 28, 2006, a copy of which is attached as Exhibit A. Therefore, it should be correctly printed on the issued patent.

Should the Office require any further information, please do not hesitate to contact Patentees' attorney at the number listed below.

Respectfully submitted,

Attorney Docket No. TSM03-0275

ON PETITION

This is a decision on the petition, filed March 14, 2005, to correct the incorrectly spelled name of one of the named inventors.

The petition is **DISMISSED** as moot.

The declaration submitted with the original application listed the third-named inventor as "Chung-Hu Ge." The instant petition states that the name should have been "Chung-Hu Ke." Since the petition involves a name correction, rather than a name change. Therefore, the petition is dismissed as involving a moot issue.¹ A copy of the corrected filing receipt is enclosed.

No fee is required and none has been charged.

Telephone inquiries related to this decision should be directed to Wan Laymon at (571) 272-3220.

This matter is being referred to Publishing Division.

Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.
